

SDE 11+ Foundation Course (36 Weeks) – 2026-27

Tax-Free Childcare and Childcare Vouchers

SDE (Tuition) LLP is registered as a childcare provider with Ofsted. Eligible parents may be able to save on our Course fees by paying the fees using Childcare Vouchers or through the Government’s Tax-Free Childcare scheme (together “**Childcare Payments**”).

Eligibility

If you do not already receive Childcare Vouchers from your employer, you will no longer be able to enrol as the system has recently changed. However, you may still be eligible for the replacement scheme, which is called Tax-Free Childcare and is administered by the Government. To check eligibility and apply, go to: <https://www.gov.uk/tax-free-childcare>

Childcare Payments can only be accepted for in person classes held at one of our Ofsted-registered childcare settings (SDE Amersham, SDE Beaconsfield, SDE Gerrards Cross, SDE at Aylesbury High School or SDE at Langley College). We cannot accept childcare payments for:

- Any class which is held online, including classes delivered through SDE’s Hybrid Classroom facility at SDE Beaconsfield or any dedicated online lesson (this is because your child must be present at an SDE childcare settings for us to be able to provide a form of childcare); or
- Any class which takes place at a location other than those listed above, such as SDE’s franchisee in SW Herts (this location is not an Ofsted-registered Childcare Setting).

Course Fee

The fee for the 11+ Foundation Course 2026-2027 (36 lessons between November and October, as well as all homework and online resources) is £2,120 and is payable as follows:

- £230 at Registration; and
- £210 monthly for nine months, starting 1st November 2026 and ending 1st July 2027.

Payment Options

➤ Pay SDE the full SDE Course fee in a single transaction

Many customers prefer to pay the full Course fee in one transaction. Once you have paid the Course fee in full, we will cancel your direct debit mandate and write to you to confirm that the Course fee has been received.

➤ Pay SDE your usual direct debit instalment or variation thereof

For those customers who prefer to make Childcare Payments instead of, or in addition to, their scheduled Direct Debit instalments, please note the following:

▪ Direct Debit Mandate

It is a condition of our service that you have in place with SDE an active Direct Debit Mandate until the Course fee has been paid in full.

If you make a Childcare Payment to us, your forthcoming Direct Debit instalment or, where appropriate, instalments will be reduced or cancelled, depending on the amount of your Childcare Payment and the date your payment is received. We will write by email to you to confirm the new arrangements.

▪ Payment Deadline

In order to give us sufficient time to process your incoming Childcare Payment and to ensure your forthcoming Direct Debit instalment is adjusted or stopped in time, please ensure that your Childcare Payment reaches us by the Childcare Payment Deadline specified in the table below.

Direct Debit Instalment Date	Childcare Payment Deadline
1 st November 2026	16 th October 2025

Notification of Payment

Once you have made a Childcare Payment, please notify SDE by email to childcarepayments@sde11plus.com. This will help us track your payment. Make sure you send this email *after* you have made the transfer and *not before*. Please let us know:

✓ The date you made the payment	✓ The name of the person making the payment
✓ The amount of the payment	✓ Your child's name
✓ The name of your scheme provided (e.g. Tax-Free Childcare, Edenred, Computershare, etc.)	✓ The reference associated with your payment (some providers allow you to enter a reference – in this case, we suggest you enter your child's full name)

Please note it can take up to 3 working days for the payment to be processed by your Childcare Voucher provider – during this time your incoming payment may not be visible to SDE and so there will be an unavoidable delay in our confirming safe receipt of your transfer. Thank you for your patience during this period.
