The Susan Daughtrey Education 11+ Course takes account of all the known requirements of the Reading Boys 11+ tests making the SDE 11+ Course a very thorough and effective preparation for your son. Many thousands of hours have been spent by Susan (author of the highly successful *Verbal Reasoning Technique and Practice* series of books) writing and refining the Course (including its structure, lesson plans and materials). All of the material Susan has written for SDE's 11+ Courses is currently unpublished and is therefore only available to students attending the Courses.

Initial Assessments

The Course begins (Weeks 1 and 2) with initial assessments in English, Maths and Creative Writing. The results of these assessments will be accessed via your secure Parent Login to your online SDE Account and you will be given access to anonymised comparative data so you can see how your child's performance compares to a larger group of SDE Year 5 students.

Prep Bag and Homework

At the first lesson, your child will be given an attractive Prep Bag containing the first half term of classwork and homework, as well as various published books that are referred to as part of the homework programme. Weekly homework varies depending on the topics taught in class and is supplied to your child half termly in advance in specially printed homework books that are personalised with your child's details. Additional homework is set over the school holidays to maintain continuity and to revise, test and extend the work already completed in class. Your child will be provided with additional published books as part of the Course, in order to further supplement and practise the significant amount of homework that Susan has written. All results are now recorded online in your child's SDE Account, which also gives you access to comparative data for all exercises.

A Technique-focused Approach to Learning for the 11+

During Weeks 3 – 24 (with the exception of the two 'Mini Mock' Weeks mentioned below), the Course concentrates on teaching every aspect of the English Maths, and Creative Writing components of the Reading Boys 11+ test:

- Your child will be taught Susan's techniques to help them correctly and speedily approach English questions;
- The Maths component will involve the teaching of the entire three-year Key Stage 2 Maths syllabus (which begins when the child is in Year 4 at school and concludes at the end of Year 6) as well as the application of Key Stage 2 Maths knowledge to 11+ style problem Maths questions; and
- Techniques for producing a good example of Creative Writing within a short time limit will be taught

Pre-recorded Video Tutorials

All of the maths teaching content from the SDE 11+ Course is now available as pre-recorded video tutorials which have been devised and narrated by Susan Daughtrey M.Ed. These are released weekly through the Course and can be accessed via your online SDE Account.

The video tutorials form a full record of the SDE lesson content. As a parent, this allows you to see exactly what was taught in class and the teaching methods used. Any missed lessons that were not attended in person can be caught up using the pre-recorded video tutorials. The video tutorials are also invaluable if your child needs to recap on any of the lesson content and for revision purposes later in the Course.

Weekly Mini Tests

During Weeks 3 – 24 of the Course (with the exception of the two 'Mini Mock' Weeks mentioned below), progress tests in all subjects are administered in the first 10 – 12 minutes of each class. These 'Mini Tests' tests your child's vocabulary and maths and provides additional comprehension or cloze practice and in doing so not only provide additional weekly practice in all subjects, but fundamentally, assist the teacher to closely monitor the progress of each student.

SDE 11+ 'Mini Mocks'

In 2022 two new 'Mini Mock' Sessions were added to the SDE 11+ Course for the first time, extending the Course from 32 Weeks to 34 Weeks.

- **Mini Mock 1** is held following Week 11 of the Course (w/c 27th January 2025)
- **Mini Mock 2** is held following Week 17 of the Course (w/c 24th March 2025)

The Mini Mocks are designed to:

- 1) provide an early and gentle introduction to formal 11+ style exam testing; and
- 2) help monitor each student's individual progress on the SDE 11+ Course.

The Mini Mock test papers are multiple choice format and we also use audio administration for the first time – both features of the final 11+ exam. However, unlike the 'full' SDE 11+ Mock Exams which commence after Easter of Year 5, the Mini Mock test papers only test the students on the subjects and topics that have already been taught on the SDE 11+ Course up to each Mini Mock week. As such, each Mini Mock also acts as a Progress Test so you can see how your child is developing on the Course. As with the 'full' SDE 11+ Mock Exams (see below), you will receive detailed comparative data and analytics as part of the online feedback (accessed via your secure online SDE Account) after each Mini Mock.

Reading Boys -style 11+ Mock Exams (Exam Hall-based)

The 'full' SDE 11+ Mock Exams then begin after Easter and can be attended in addition to the regular weekly classes. Each 11+ Mock Exam Session is the equivalent of the real 11+ exam day.

All students attending the SDE 11+ Course are invited to attend Session A in spring 2025 and the cost of this first formal SDE 11+ Mock Exam is included in the standard Course fee.

For those who require further exam practice, Reading Boys Assessment-style 11+ Mock Exams Sessions B – G can be booked on-line. Susan Daughtrey Education is a leading provider of 11+ Mock Exam Sessions. We offer seven Reading Boys Assessment-style 11+ Mock Exam Sessions (A, B, C, D, E, F and G). These Sessions have been carefully designed to complement your child's 11+ exam preparation. You can find further information about these sessions on our website: www.sde11plus.com/mock-exams

Each Mock Exam Session will come with access to our Dynamic Video Tuition service. With Dynamic Video Tuition, for each question your child answers incorrectly on the Mock Exam tests, you will be provided with:

- 1) Your ***child's actual wrong answer option for the question;***
- 2) A ***link to a video tutorial***, which can be streamed from home, which includes the following:
 - a. The ***test question number, actual test question*** and ***multiple-choice answer options*** that appeared on the actual question paper;
 - b. Where relevant (e.g for VR questions), an ***explanation of the technique or method that Susan Daughtrey M.Ed recommends your child uses to answer the question, devised and narrated by Susan Daughtrey M.Ed;***
 - c. Where relevant (e.g for Maths questions), ***working out is shown on screen in a step-by-step fashion***, with Susan Daughtrey M.Ed talking your child through the process he/she should have followed to answer the question correctly; and

d. Finally, the **correct answer is shown on screen**.

You can pause, rewind and re-watch the video tutorials as many times as you like during the review period, which for SDE Course customers is the period between the relevant SDE 11+ Mock Exam Session and the real 11+ tests in September.

Dynamic Video Tuition has been devised with the specific objectives of giving your child the opportunity to:

- 1) **learn from their mistakes**; and
- 2) **improve future exam performance**.

This is a unique and innovative resource, which **responds to your child's individual learning requirements** by identifying only the questions your child answered incorrectly on the test papers and addressing those wrongly answered questions through the deployment of a video tutorial.

Reading Boys Assessment®-style 11+ Practice Tests (In Class)

During the summer term (Weeks 25 to 30) and in the lead up to the 11+, practice Reading Boys Assessment-style 11+ tests take place in class under examination conditions in order to revise, in a structured fashion, all the topics taught on the Course, to familiarise the students with the format of the paper (as far as possible) and the procedure of the day, and to continue the continuous assessment of the students.

These 11+ practice tests have all been written by Susan and are separate to the SDE 11+ Mock Exam test papers. Each 'class-based test-paper experience' will culminate in a review and discussion of the questions that appeared on the test paper to ensure the children benefit from a full explanation of the correct procedure/technique of answering the questions, and to equip the children to attempt a similar question more successfully in the future.

As the lessons focus on reviewing the most difficult areas of the test papers, there is often not time in class to review every question that appeared on the practice test. To address this 'gap' and give every child a full explanation for every question they individually answered incorrectly on the test, the four test papers used as part the Course are now supported by **Susan Daughtrey 11+ Dynamic Video Tuition®**. We have created a separate video tutorial for each question on the test papers which parents and students can access from home, via their secure online SDE Account. Each video contains:

- The test question and multiple-choice answer options that appear on the question paper;
- Where relevant an explanation of the technique or method that Susan Daughtrey recommends your child uses to answer the question, devised and narrated by Susan Daughtrey, and which is consistent with the technique taught on the Course;

A technique-focused approach to learning for the 11+.

- Where relevant (e.g for Maths questions), working out is shown on screen in a step-by-step fashion, with Susan Daughtrey explaining the process she recommends your child should follow to answer the question correctly; and
- Finally, the correct answer is shown on screen.

It is recommended that parents and children watch the video tutorials for the questions the child answered incorrectly, as an additional item of homework, to help reinforce the classroom learning and to ensure your child learns from her/his mistakes.

Summer Holiday Homework

Your child will be set summer holiday homework to continue, through the school summer holidays, the practice and familiarisation of all the subjects your child has learned. The final lessons will take place just a few days before the actual 11+ tests.

The Role of Parents

The Course is rigorous, demands a lot of work and dedication on the part of your child and requires a very determined and positive attitude. If your child has these attributes, most parents tell us that their children thoroughly enjoy the lessons, improve enormously at school generally, make many new, good friends and develop a very strong sense of how to study and what is required to learn and achieve.

We encourage parents to play a major and active role in their child's studying and we see you as an important contributor to this process. You are an integral and important part of your child's exam preparation and performance on this Course.

Parents are asked to oversee the completion of the homework and to mark it using the answers provided in each weekly 'Parent Homework Pack'. Scores are then recorded by the parent on a paper Record Table and can also be recorded on the Online Record Table within your SDE Account, providing you with access to comparative data.

Parents are asked to bring any homework problems to the attention of the teacher, so these can be addressed as part of the homework review which takes place at the beginning of each lesson.

Course Objective

The objective of all SDE Courses is quite explicit - to offer a first-class quality Course where every effort is made to address the student's weaknesses, to maximise their examination performance and to extend each

student to their fullest potential so the child has the best possible chance of success in the 11+. Everybody who works at Susan Daughtrey Education is striving for excellence and every possible effort is made to achieve it.

A technique-focused approach to learning for the 11+.

OBJECTIVES

“The primary objective of the Course is to offer a first-class quality Course where every effort is made to address the student’s weaknesses, to maximise his/her examination performance and to extend each student to his/her fullest potential so the child has the best possible chance of success in the 11+.”

In order to create the best learning environment for each pupil, all reasonable efforts will be made to achieve the following objectives:

- That each pupil is able to learn in a safe environment;
- That each pupil’s progress or ability to learn and improve his/her performance is enhanced by a focused learning environment, free from distractions and not impeded by the poor conduct or behaviour of other children in the class; and
- That each pupil shows courtesy and respect to the teacher of the class, the other children in the class and any other persons he or she comes into contact with on the course and/or while at the course venue.

TERMS AND CONDITIONS

In these Terms and Conditions, the following terms have the meanings stated below:

- “**Child**” means the child who is registered to attend an SDE course and whose name appears on the Registration Form;
- “**Client**” means the parent or guardian of a Child registered to attend an SDE course whose name appears on the Registration Form; and
- “**SDE**” means SDE (Earley) LLP, a limited liability partnership incorporated in England with registration no. OC399967.

2. Parties etc.

- 2.1. This agreement is between the Client and SDE. Neither the Client nor the Child has any direct or indirect contractual or other relationship with any other person or entity other than SDE.
- 2.2. This agreement supersedes and replaces any previous agreement(s) between the Client and SDE.
- 2.3. SDE (Earley) LLP is an independently owned and operated franchise of Susan Daughtrey Education.

3. Safety

- 3.1. The Client shall, prior to the commencement of the course and at regular intervals during the continuation of the course, emphasise to the Child the importance of remaining under the supervision of the teacher at all times during class and while at the course venue. The Child should be instructed not to leave the course venue under any circumstances unless accompanied by the Client or the person nominated by the Client to deliver and collect the Child from the course venue.
- 3.2. The Client shall ensure that he or she or, where relevant, the person with responsibility to deliver and collect the Child to and from the course venue on the relevant course date personally:
 - 3.2.1. delivers the Child to the custody of the teacher in charge of the Child’s course; and

3.2.2. collects the Child from the teacher in charge of the Child's course.

4. Medical conditions, medication and treatments

- 4.1. The Client shall notify SDE in writing at registration if the child suffers from any medical injury, condition (including any allergies) or disability that ought properly to be brought to the attention of SDE so that an assessment of the needs of the child can be made.
- 4.2. In the event that the child develops a medical condition (including any allergies) while attending an SDE course, the Client shall inform SDE in writing in advance of the lesson so that an assessment of the needs of the Child can be made.
- 4.3. The Client shall ensure that any medication or treatment that the Child is receiving (either at the time of registration on the course or during the continuation of the course) is brought to the attention of:
 - 4.3.1. prior to registration, or at such time during the course as the medication or treatment commences, to SDE by notice in writing;
 - 4.3.2. at the commencement of each lesson, to the teacher of the class.
- 4.4. SDE and its teachers are not trained or insured to administer medications and, accordingly, are unable to administer medications to children attending SDE courses. If required, the Client shall administer the medications having first advised SDE of the circumstances.
- 4.5. SDE reserves the right at any time and without further notice to the Client to refuse to administer medication or treatment. Such refusal to administer medication shall extend, without limitation, to a decision, to be made by the teacher or relevant SDE employee, consultant or agent who may need to make such a decision following the development of a medical condition or emergency situation while the Child is in the custody of SDE. In such circumstances the teacher or relevant SDE employee, consultant or agent may contact the emergency services and/or the Client if they consider it appropriate to do so.
- 4.6. In the event that SDE is notified that a pupil in a class has a food allergy (or other similar condition), the teacher will take reasonable precautions to protect that pupil from exposure to the cause of the allergy (or other similar condition) but SDE cannot guarantee non-exposure.
- 4.7. The client agrees not to bring their child to class for a period of at least 14 days after they have developed any symptom or symptoms which could be indicative of Covid-19.

5. Payment

All course fees are to be paid on the date(s) set out in the Registration Form and, in the event that the Client fails to make payment on the due date(s), the Child shall not be entitled to attend the course and SDE reserve the right to cancel the Child's place and to allocate the Child's place to another pupil without further notice. Cancellation in such circumstances is without prejudice to the other remedies SDE may have against the Client in respect of such non-payment.

6. Withdrawal / Cancellation / Curtailment / Non-attendance

- 6.1. If you wish to cancel the Child's place on the Course at any time, including before the Course has started, you may do so by notifying SDE in writing by email to fwyeth@sde11plus.com. You will not be liable for any direct debit instalments due after the date of notification of withdrawal, however you will not receive a refund of any payments made or due prior to or on the date of withdrawal. Once you have withdrawn your child from the Course, your child is not entitled to attend any further lessons. You are not required to return any homework materials (such as the Prep Bag) supplied to your child prior to the date of withdrawal.
- 6.2. The Client is assured that SDE will use its reasonable endeavours to deliver the course on the date(s) and time(s) set out in the Prospectus. However, there may be exceptional circumstances in which it is necessary for SDE to cancel the course, for example, where a teacher becomes unwell and is unable to deliver the course or a course venue is, for some reason, no longer available. In the extremely unlikely event that a course is cancelled part way through its delivery, SDE will refund a pro rata amount of the course fee to take account of the part of the course which is not delivered and the Client's entitlement to such a pro rata refund will be its sole remedy against SDE in these circumstances.
- 6.3. Without prejudice to and notwithstanding clause 7.1, at any time on or prior to the date on which the first lesson of a course is to be delivered, SDE reserves the right to cancel:
 - 6.3.1. the course;

A technique-focused approach to learning for the 11+.

6.3.2. the Child's place on the course; or

6.3.3. to elect not to deliver the course (for whatever reason)

and, in such circumstances, the Client's only remedy against SDE shall be to a refund of the payment(s) he or she has already made to SDE for such course.

6.4. SDE reserves the right to remove a Child from one or more classes (or, where appropriate, the remainder of the course) in the event that the Child's conduct or behaviour is, in the opinion of SDE, such that it:

6.4.1. prevents or inhibits (or is likely to prevent or inhibit) SDE from meeting the objectives (stated above these Terms and Conditions) for the benefit of all pupils on the Child's course; or

6.4.2. interferes (or is likely to interfere) with the proper management of the class by the teacher having regard, in particular, to the health and safety of all pupils, the teacher and any other persons who are (or may be) present at the course venue.

For the purposes of this clause 7.3, SDE's decision as to what constitutes behaviour or conduct which has the effect(s) (or is likely to have the effect(s)) set out above shall be final and binding on the parties.

6.5. In the event that a Child is for any reason unable to attend a class, application may be made in writing to SDE to arrange an alternative date in another class to be provided by SDE (if any). SDE shall make reasonable efforts to accommodate the child but accommodation shall at all times be subject to availability (including, for the avoidance of doubt, sufficient space, in the opinion of SDE, for the Child to attend in addition to the pupils already scheduled to attend such class). In the event that no alternative class is available, or if the Child is unable to attend an alternative class offered to the Client by SDE, SDE shall, on request, indicate the work the Child should complete at home (where possible). For safety and logistical reasons, no Child shall be admitted to an alternative class where prior arrangement has not been made with SDE by following the procedures set out in this clause 7.4.

7. Customer satisfaction

7.1. In the unlikely event that you are not happy with the services provided by SDE, in the first instance please raise your concerns with the course teacher at the first available opportunity.

Any other condition, warranty, or other term concerning the course or other services to be provided by SDE which might otherwise be implied in or incorporated within these Terms and Conditions, whether by statute, common law or otherwise, is hereby expressly excluded.

10.4. The performance of any Child in the actual 11+ examination is ultimately the sole responsibility of the Child and SDE shall not be responsible or liable for:
