## SDE 11+ COURSE IN YEAR 5

### WHAT IS INCLUDED IN THE 11+ ONLINE COURSE FOR YEAR 5?

- ✓ The SDE 11+ Online Course has been specifically created for Year 5 students in preparation for the Reading Boys' 11+ tests and comprises:
  - **English and Maths** (these are called 'core' subjects);
  - **Art & Design, Computing, Design & Technology, Geography, History, Languages, Music, Physical Education and Science** (these are called 'foundation subjects'); and
  - **Creativity.**
- ✓ Fully qualified and experienced teachers who are also a subject-area 11+ tutor.  
[Click here to meet the teacher](#)
- ✓ A technique-focused approach to learning. We teach your son how to approach each 11+ question using SDE's carefully developed techniques.
- ✓ Small teaching classes of a maximum of 10 regular students per class.
- ✓ 2-hour lessons taught over 29 weeks plus 3 additional weeks of formal exam practice.
- ✓ Susan Daughtrey M.Ed Course structure, lesson plans and materials are used in all our classes.
- ✓ All Course materials your son will need throughout the Course are included in the Course fee. The Prep Bag and resources will be posted half termly to any UK address (an additional fee applies for a non-UK address).
- ✓ Regular assessments to gradually introduce your son to formal examinations and to help monitor progress.
  - **3 Assessments at the beginning of the Course** in English, Maths and Creativity.
  - **Regular 'mini tests' at the beginning of each class** to assess progress.
  - **2 additional 'Mini Mock' Sessions** (2 ¼ hours each) taken in January and March.
- ✓ **Weekly pre-recorded video tutorials** devised and narrated by Susan Daughtrey which cover the Maths and English lesson content. These are an invaluable resource if your son needs to recap or for revision purposes, or to catch up on a missed lesson.
- ✓ **Regular feedback** – regular data-led feedback via our secure online Parent Portal on your son's performance is integral to our educational approach, underscoring our commitment to transparency and collaboration with parents.

## WHEN IS THE COURSE HELD?

The Year 5 11+ Online Course commences on 7th October 2026 and finishes on 7th July 2027.

- Wednesday, 4.30pm to 6.30pm (UK time)

## WHAT DOES THE COURSE COVER?

The objective of all SDE 11+ Courses is to offer a first-class, quality Course where every effort is made to address the student's weaknesses, to maximise his examination performance and to extend each student to his fullest potential so the child has the best possible chance of success in the 11+. Everybody who works at Susan Daughtrey Education is striving for excellence and every possible effort is made to achieve it.

The Course is designed for a child who will benefit from lots of teacher contact, support and reinforcement and who will more ably cope with the subjects when spread over a longer period of time.

Interactive teacher-student group work in class to provide an engaging dynamic classroom environment and to practise and reinforce problem-solving skills. The teacher will often guide the students through several worked examples before the students get an opportunity to complete some further questions independently. The teacher will then provide the answers and review the more challenging questions with the class.

**Initial Assessments** (Weeks 1 and 2) - the Course begins with initial assessments in English, Maths and Creativity.

**A technique-focused approach to learning for the 11+** (Weeks 3 - 24, excluding 'Mini Mock' Weeks) - the Course concentrates on teaching every aspect of the English, Maths, 'Foundation' and Creativity components of the Reading Boys' 11+ tests:

- Your son will be taught Susan's techniques to help him correctly and speedily approach English questions;
- The Maths component involves the teaching of the entire four-year Key Stage 2 Maths syllabus (which begins when the child is in Year 3 at school and concludes at the end of Year 6) as well as the application of Key Stage 2 Maths knowledge to 11+ style problem Maths questions;
- All foundation subjects will be covered with the aim of ensuring your son has a broad knowledge and understanding and is able to apply this effectively when presented with new situations; and
- Techniques for producing a good example of a Creativity task within a time limit will be taught and practised with regular teacher feedback.

**Weekly Mini Tests** - during Weeks 3 – 24 progress tests in all subjects are taken in the first 10 – 12 minutes of each class. These 'Mini Tests' assess your son's vocabulary (which is set as part of the weekly homework assignment) and at least one other subject and in doing so not only provide additional weekly practice, but fundamentally, assist the teacher to closely monitor the progress of each student.

**SDE 11+ 'Mini Mocks'** (held at the end of January and March) are designed to:

- provide an early and gentle introduction to formal 11+ style exam testing; and
- help monitor each student's individual progress on the SDE 11+ Course.

The Mini Mock Sessions use multiple-choice and free-response test papers similar to the final Reading Boys' 11+ exam. Unlike the full SDE 11+ Mock Exams, which begin in early Spring of Year 5, the Mini Mocks focus only on the subjects and topics covered on the SDE 11+ Course up to that point. Each Mini Mock serves as both a practice exam and a progress test, providing detailed feedback and analytics on the student's development.

### **Reading Boys'-style 11+ Practice Tests (In Class)**

During the summer term (Weeks 25 to 29), students will take practice Reading Boys'-style 11+ tests in class under exam conditions. These tests are designed to review and reinforce all the topics covered on the Course, familiarise students with the test format and procedures, and continue ongoing assessment. Written by us, these practice tests are separate from the SDE 11+ Mock Exam papers. After each test, there will be a review session to discuss the questions and ensure students understand the correct techniques.

### **Reading Boys'-style 11+ Mock Exams (In-person - Optional Extra)**

- The 'full' SDE 11+ Mock Exams begin in early April and are attended in addition to the regular weekly classes. Each 11+ Mock Exam Session is the equivalent of the real 11+ exam day.
- Designed for those who require further exam practice, SDE's Reading Boys'-style 11+ Mock Exams Paper Sets A – E can be booked separately. This option is highly recommended for those students who are intending to sit the real 11+ tests in September.

## WHAT DOES MY CHILD NEED?

All students will need a computer, a screen, a webcam and a microphone (mobile phone screens are not suitable for online lessons), together with a fast broadband connection. Parents will also need access to a scanner in order to return written work to be marked by the teacher (photos are often not clear enough). The student should work at a desk/table and be sat on a fixed chair in a quiet room. Students must be supervised by someone over the age of 18 years old being present in the house during the online lesson.

## WHAT IS THE ROLE OF PARENTS/CARERS?

The Online Course is demanding and requires significant effort, dedication and a positive attitude from your child. With these qualities, most parents report that their children enjoy the lessons, improve academically and develop strong study habits. Parents/carers are encouraged to play an active role in their child's learning, particularly by overseeing homework completion and using the provided 'Parent Homework Pack' to mark it.

## HOW MUCH DOES THE COURSE COST?

The total cost of the SDE 11+ Online Course, to include the cost of all online tuition, the three assessments, 2 Mini Mock Sessions, the Prep Bag of books and resources provided as part of the homework programme and online learning resources and results recording is £2,735. The Prep Bag and resources will be posted half termly to any UK address (an additional fee applies for a non-UK address). The cost of the Course is payable in instalments, as follows:
