

A photograph of two young girls sitting at a desk. The girl in the foreground is wearing an orange and grey striped sweater and is smiling while writing in a notebook with a white pencil. The girl behind her is wearing a grey sweatshirt with a colorful graphic and glasses, looking down at the notebook. The background is slightly blurred, showing other students in a classroom setting.

SDE 11+ SUMMER 'REVISION AND TESTING' COURSE FOR STUDENTS WHO WILL SIT THE 11+ IN SEPTEMBER 2026

- ✓ **The SDE 11+ Summer Course** has been designed to help those students who have been preparing for the 11+ during the preceding year (either at home with a parent or tutor, or by attending an 11+ Course) and who will **benefit from a short, structured and professional Course which is delivered by a top-quality teacher using some of Susan's unpublished 11+ resources for GL Assessment® 11+ candidates.**
- ✓ **20 hours of classroom teaching (plus 30 minutes per day for breaks), making each day of the 5-day Course, 4½ hours in duration.**
- ✓ **Fully qualified and experienced teachers** who are also subject-area 11+ tutors. They are supported by a **Tuition Centre Assistant**, so your teacher's time is dedicated to your child and their educational needs. Click [here](#) to meet our teachers.
- ✓ **A technique-focused approach to learning.** We teach your child how to approach each 11+ question using Susan's carefully developed techniques.
- ✓ **Small teaching classes of a maximum of 12 students per class.**
- ✓ **The majority of the material used on the SDE 11+ Summer Course is original, unpublished Susan Daughtrey Education material** and will therefore not have been seen by your child prior to the Course. Only limited published material is used in class, mostly for NVR and spatial reasoning.
- ✓ **'Revision and Testing' of key 11+ topics for September 2026 GL Assessment 11+ candidates, including:**
 - All the question types that we expect to appear on the GL Assessment® **Verbal Reasoning** 11+ test, including comprehension, technical English (proof reading and cloze) and the '21 types' of Verbal Reasoning question;
 - The **Maths** topics which tend to cause students the most difficulties; and
 - All types of **NVR** and **spatial reasoning** questions.
- ✓ **The administration of two full Susan Daughtrey 11+ practice test papers** which are unpublished and have been prepared specifically for GL Assessment® 11+ candidates.
- ✓ After the Course, parents will have access to our online **Susan Daughtrey 11+ Dynamic Video Tuition®** service where a video tutorial, devised and narrated by Susan Daughtrey M.Ed., is provided for every question on the **11+ practice test papers that were completed in class.** The video tutorial includes the question, an explanation of the technique or method your child should have used to answer the question and the correct answer.
