SDE 11+ SUMMER 'REVISION AND TESTING' COURSE FOR STUDENTS WHO WILL SIT THE 11+ IN SEPTEMBER 2025

- ✓ **The SDE 11+ Summer Course** has been designed to help those students who have been preparing for the 11+ during the preceding year (either at home with a parent or tutor, or by attending an 11+ Course) and who will **benefit from a short, structured and professional Course which is delivered by a top-quality teacher using some of Susan's unpublished 11+ resources for GL Assessment® 11+ candidates.**
- ✓ **20 hours of classroom teaching (plus 30 minutes per day for breaks), making each day of the 5-day Course, 4½ hours in duration.**
- ✓ **Fully qualified and experienced teachers** who are also subject-area 11+ tutors. They are supported by a **Tuition Centre Assistant**, so your teacher's time is dedicated to your child and their educational needs. Click [here](#) to meet our teachers.
- ✓ **A technique-focused approach to learning.** We teach your child how to approach each 11+ question using Susan's carefully developed techniques.
- ✓ **Small teaching classes of a maximum of 12 regular students per class.**
- ✓ **The majority of the material used on the SDE 11+ Summer Course is original, unpublished Susan Daughtrey Education material** and will therefore not have been seen by your child prior to the Course. Only limited published material is used in class, mostly for NVR and spatial reasoning.
- ✓ **'Revision and Testing' of key 11+ topics for September 2025 GL Assessment 11+ candidates, including:**
 - All the question types that we expect to appear on the GL Assessment® **Verbal Reasoning 11+** test, including comprehension, technical English (proof reading, shuffled sentences and cloze) and the '21 types' of Verbal Reasoning question;
 - The **Maths** topics which tend to cause students the most difficulties; and
 - All types of **NVR** and **spatial reasoning** questions.
- ✓ **The administration of two full Susan Daughtrey 11+ practice test papers** which are unpublished and have been prepared specifically for GL Assessment® 11+ candidates. After the Course, parents will have access to our online **Susan Daughtrey 11+ Dynamic Video Tuition®** service, where a video tutorial, devised and narrated by Susan Daughtrey M.Ed., is provided for every question on those test papers. The video tutorial includes the question, an explanation of the technique or method your child should have used to answer the question and the correct answer.
- ✓ **Ofsted-registered childcare provider – we accept Childcare Vouchers and Tax-Free Childcare payments** at our Buckinghamshire and Langley Tuition Centres – save at least 20% on our Course fees.
