A full outline of the SDE 11+ Course appears on the following pages.

A technique-focused approach to learning for the 11+.

The Susan Daughtrey Education 2020-21 11+ Course takes account of all the known requirements of the Berkshire CEM® and Buckinghamshire GL Assessment® 11+ tests making the SDE 11+ Course a very thorough and effective preparation of your child. Many thousands of hours have been spent by Susan (author of the highly successful Verbal Reasoning *Technique and Practice* series of books) writing and refining the Course (including its structure, lesson plans and materials). All of the material Susan has written for SDE's 11+ Courses is currently unpublished and is therefore only available to students attending the Courses.

Initial Assessments

The Course begins (Weeks 1 and 2) with initial assessments in Maths, Verbal Reasoning, Non-Verbal Reasoning and English. The results of these assessments will be reported to you in writing.

Prep Bag

At the first session, your child will be given an attractive *Prep Bag* containing homework books, writing materials and a ring binder. Weekly homework varies depending on the topics taught in class, and is supplied to your child at the end of each class in a convenient 'Student Homework Pack' and a separate 'Parent Homework Pack' containing all of Susan's worksheets (the Parent Homework Pack contains all of the answers). Additional homework is set over the school holidays to maintain continuity and to revise, test and extend the work already completed in class. Your child will be provided with additional published books as part of the Course, in order to further supplement and practise the significant amount of work that Susan has written.

"A technique-focused approach to learning for the 11+"

During Weeks 3 – 24, the Course concentrates on *teaching* every aspect of the English, verbal, non-verbal reasoning and Maths components of the CEM® and GL Assessment® 11+ tests:

- Your child will be *taught* Susan's *techniques* to help him/her correctly and speedily approach English and verbal reasoning questions (including comprehension, cloze, proofreading, shuffled sentences, vocabulary and the '21 types' of verbal reasoning);
- The Maths component will involve the *teaching of the entire three-year Key Stage 2 Maths syllabus* (which begins when the child is in Year 4 at school and concludes at the end of Year 6) as well as the application of Key Stage 2 Maths knowledge to 11+ style problem Maths questions; and
- The *techniques for all types of NVR question (including spatial reasoning) are taught* as part of the Course.

Progress and Check-up tests

During Weeks 3 – 24 of the Course, progress tests in all subjects are administered in the first 10 – 12 minutes of each class. These 'mini tests' test your child's vocabulary (which is set as part of the weekly homework assignment), VR and/or maths and in doing so not only provides additional weekly practice in all subjects, but fundamentally, enables the teacher to closely monitor the progress of each child.

11+ Practice Tests

During the summer term (Weeks 24 to 32) and in the lead up to the 11+, practice CEM®-style and GL Assessment®-style 11+ tests will take place in class under examination conditions in order to revise in a structured fashion, all the topics taught on the Course, to familiarise the students with the format of the paper (as far as possible) and the procedure of the day, and to continue the continuous assessment of the students. Most of these class tests have been written by Susan and are currently unpublished. Each ‘class-based test-paper experience’ will culminate in a review and discussion of the questions that appeared on the test paper to ensure the children benefit from a full explanation of the correct procedure/technique of answering the questions, and to equip the children to more successfully attempt a similar question in the future.

As the lessons focus on reviewing the most difficult areas of the test papers, there is often not time in class to review every question that appeared on the practice test paper. To address this ‘gap’ and give every child a full explanation for every question they individually answered incorrectly on the test, several of the test papers used as part of Course are also supported by **Susan Daughtrey 11+ Dynamic Video Tuition®**. There is a video tutorial for each question on the test papers which parents and students can access from home, via their online SDE Account. Each video contains:

- The test question and multiple-choice answer options that appear on the question paper;
- Where relevant (e.g for VR questions), an explanation of the technique or method that Susan Daughtrey recommends your child uses to answer the question, devised and narrated by Susan Daughtrey, and which is consistent with the technique taught in class;
- Where relevant (e.g for Maths questions), working out is shown on screen in a step-by-step fashion, with Susan Daughtrey explaining the process she recommends your child should follow to answer the question correctly; and
- Finally, the correct answer is shown on screen.

It is recommended that parents and children watch the video tutorials for the questions the child answered incorrectly, as an additional item of homework, to help reinforce the classroom learning and to ensure your child learns from their mistakes.

Summer Holiday Homework

Your child will be set summer holiday homework to continue, through the school summer holidays, the practice and familiarisation of all the subjects your child has learned. The final lessons will take place just a few days before the actual Berkshire CEM® and Buckinghamshire GL Assessment® 11+ tests.

The Role of Parents

The Course is rigorous, demands a lot of work and dedication on the part of your child and requires a very determined and positive attitude. If your child has these attributes, most parents tell us that their children thoroughly enjoy the lessons, improve enormously at school generally, make many new, good friends and develop a very strong sense of how to study and what is required to learn and achieve.

We encourage parents to play a major and active role in their child's study and we see you as an essential contributor to this process. You are an integral and important part of your child's exam preparation and performance on this Course.

Parents are asked to oversee the completion of the homework and to mark it using the answers provided in each weekly 'Parent Homework Pack'. Scores are then recorded by the parent on a Record Table, which is provided as part of the SDE organiser. Scores can also be recorded on the Online Record Table within your SDE Account, providing you will access to comparative data.

Parents are asked to bring any homework problems to the attention of the teacher, so these can be addressed as part of the homework review which takes place at the beginning of each lesson (immediately after the Mini Test mentioned above).

Course Objective

The objective of all SDE Courses is quite explicit - to offer a first-class, quality Course where every effort is made to address the student's weaknesses, to maximise his/her examination performance and to extend each student to his/her fullest potential so the child has the best possible chance of success in the 11+. Everybody who works at Susan Daughtrey Education is striving for excellence and every possible effort is made to achieve it.

The Course is designed for a child who will benefit from lots of teacher contact, support and reinforcement and who will more ably cope with the subjects when spread over a longer period of time.

Additional Services

Booking guarantee: you can remove any of the following optional extras from your booking at any time prior to the commencement date of the relevant service, for a full refund of any instalments which have already been collected in respect of the optional service which is being removed. If you are unsure whether you need any of the options, you are advised to add them at Registration and then contact us at office@sde11plus.com or 01494 680190 for a full refund if you decide any of these additional optional services are no longer required.

11+ Workshops

By Easter of Year 5, we usually find that each child has a clear subject-specific weakness in either English, Maths, Verbal Reasoning or Non-Verbal Reasoning and that he/she would benefit from some additional instruction to help address this 'problem subject'. The 11+ Workshops have been developed to respond to this need. They are short subject-specific Courses (8 hours of teaching over two days), which take place during May half term and the early part of the School Summer

A technique-focused approach to learning for the 11+.

Holidays. If you opt for an 11+ Workshop at Registration, you will be provided with a range of bookings options (subjects, dates and venues) at the beginning of the Summer Term. Your child's SDE tutor will recommend the 11+ Workshop subject she/he recommends for your child, although the final choice is made by you. We envisage some parents may ask to book a second 11+ Workshop, in another subject, which will be permitted, but will be subject to availability at the time. ***As this is a new service, we do not yet have any booking statistics to share with you.***

11+ Refresher Course

The Refresher Course comprises 10 ½ hours of additional revision sessions spread over three days at the end of the summer holidays (these sessions are likely to take place during the final two weeks of the school summer holiday and there is usually a choice of times and dates). The Refresher Course is a final revision Course and is fundamentally different to the 11+ Workshops, where we reteach the basics to help your child address their personal 'problem subject'. ***The cost of the Refresher Course is an additional £250 if booked at Registration with the cost spread as shown in the table below. (In 2019-20, 76% of SDE Course parents opted for the Refresher Course.)***

11+ Mock Exams

Susan Daughtrey Education is a leading provider of 11+ mock exam sessions. We offer six Sessions (A, B, C, D, E and F) for CEM and a further six Sessions (also A, B, C, D, E and F) which have been carefully designed to complement your child's 11+ exam preparation. You can find further information about these sessions on our website: www.susandaughtreyeducation.com/mock-exams/ Even if your child is preparing for both the CEM and GL tests, we still recommend a maximum of six Mock Exams (you will be able to select some CEM and some GL options, at the time of booking in October). ***The cost of the six Susan Daughtrey Mock Exams is an additional £310 if booked at Registration with the cost spread as shown in the table below. (In 2019-20, 86% of SDE Course parents opted to add the SDE 11+ Mock Exams.)***

Each Mock Exam Session comes with access to the ***Susan Daughtrey 11+ Dynamic Video Tuition®*** service. With Dynamic Video Tuition, for each question your child answers incorrectly on the Mock Exam tests, you will be provided with:

- 1) Your ***child's actual wrong answer option for the question;***
- 2) A ***link to a video tutorial***, which can be streamed from home, which includes the following:
 - a. The ***test question number, actual test question*** and ***multiple-choice answer options*** that appeared on the actual question paper;
 - b. Where relevant (e.g for VR questions), an ***explanation of the technique or method that Susan Daughtrey M.Ed recommends your child uses to answer the question, devised and narrated by Susan Daughtrey M.Ed;***

A technique-focused approach to learning for the 11+.

- c. Where relevant (e.g for Maths questions), **working out is shown on screen in a step-by-step fashion**, with Susan Daughtrey M.Ed talking your child through the process he/she should have followed to answer the question correctly; and
- d. Finally, the **correct answer is shown on screen**.

You can pause, rewind and re-watch the video tutorials as many times as you like during the review period, which for SDE Course customers is the period between the relevant SDE 11+ Mock Exam Session and the real 11+ tests in September.

Dynamic Video Tuition has been devised with the specific objectives of giving your child the opportunity to:

- 1) **learn from their mistakes**; and
- 2) **improve future exam performance**.

This is a unique and innovative resource, which **responds to your child's individual learning requirements** by identifying only the questions your child answered incorrectly on the test papers and addressing those wrongly answered questions through the deployment of a video tutorial.

OBJECTIVES

"The primary objective of the Course is to offer a first-class quality Course where every effort is made to address the student's weaknesses, to maximise his/her examination performance and to extend each student to his/her fullest potential so the child has the best possible chance of success in the 11+."

In order to create the best learning environment for each pupil, all reasonable efforts will be made to achieve the following objectives:

- That each pupil is able to learn in a safe environment;
- That each pupil's progress or ability to learn and improve his/her performance is enhanced by a focused learning environment, free from distractions and not impeded by the poor conduct or behaviour of other children in the class; and
- That each pupil shows courtesy and respect to the teacher of the class, the other children in the class and any other persons he or she comes into contact with on the course and/or while at the course venue.

TERMS AND CONDITIONS

1. Definitions

In these Terms and Conditions, the following terms have the meanings stated below:

- "Child" means the child who is registered to attend an SDE course and whose name appears on the Registration Form;
- "Client" means the parent or guardian of a Child registered to attend an SDE course whose name appears on the Registration Form; and
- "SDE" means in the case of the 11+ Course, the 11+ Workshops (if opted for) and the 11+ Refresher Course (if opted for), SDE (Tuition) LLP, a limited liability partnership registered in England with LLP number OC422318 and in the case of the 11+ Mock Exams Sessions (if opted for), Susan Daughtrey Education LLP, a limited liability partnership registered in England with LLP number OC381033.

2. Parties etc.

- 2.1. This agreement is between the Client and SDE. Neither the Client nor the Child has any direct or indirect contractual or other relationship with any other person or entity other than SDE.
- 2.2. This agreement supersedes and replaces any previous agreement(s) between the Client and SDE.

3. Safety

- 3.1. The Client shall, prior to the commencement of the course and at regular intervals during the continuation of the course, emphasise to the Child the importance of remaining under the supervision of the teacher at all times during class and while at the course venue. The Child should be instructed not to leave the course venue under any circumstances unless accompanied by the Client or the person nominated by the Client to deliver and collect the Child from the course venue.
- 3.2. The Client shall ensure that he or she or, where relevant, the person with responsibility to deliver and collect the Child to and from the course venue on the relevant course date personally:
 - 3.2.1. delivers the Child to the custody of the teacher in charge of the Child's course; and
 - 3.2.2. collects the Child from the teacher in charge of the Child's course.

4. Medical conditions, medication and treatments

- 4.1. The Client shall notify SDE in writing at registration if the child suffers from any medical injury, condition (including any allergies) or disability that ought properly to be brought to the attention of SDE so that an assessment of the needs of the child can be made.

A technique-focused approach to learning for the 11+.

- 4.2. In the event that the child develops a medical condition (including any allergies) while attending an SDE course, the Client shall inform SDE in writing in advance of the lesson so that an assessment of the needs of the Child can be made.
- 4.3. The Client shall ensure that any medication or treatment that the Child is receiving (either at the time of registration on the course or during the continuation of the course) is brought to the attention of:
 - 4.3.1. prior to registration, or at such time during the course as the medication or treatment commences, to SDE by notice in writing; and
 - 4.3.2. at the commencement of each lesson, to the teacher of the class.
- 4.4. SDE and its teachers are not trained or insured to administer medications and, accordingly, are unable to administer medications to children attending SDE courses. If required, the Client shall administer the medications having first advised SDE of the circumstances.
- 4.5. SDE reserves the right at any time and without further notice to the Client to refuse to administer medication or treatment. Such refusal to administer medication shall extend, without limitation, to a decision, to be made by the teacher or relevant SDE employee, consultant or agent who may need to make such a decision following the development of a medical condition or emergency situation while the Child is in the custody of SDE. In such circumstances the teacher or relevant SDE employee, consultant or agent may contact the emergency services and/or the Client if they consider it appropriate to do so.
- 4.6. In the event that SDE is notified that a pupil in a class has a food allergy (or other similar condition), the teacher will take reasonable precautions to protect that pupil from exposure to the cause of the allergy (or other similar condition) but SDE cannot guarantee non-exposure.

5. Payment

All course fees are to be paid on the date(s) set out in the Registration Form and, in the event that the Client fails to make payment on the due date(s), the Child shall not be entitled to attend the course and SDE reserve the right to cancel the Child's place and to allocate the Child's place to another pupil without further notice. Cancellation in such circumstances is without prejudice to the other remedies SDE may have against the Client in respect of such non-payment.

6. Withdrawal / Cancellation / Curtailment / Non-attendance

- 6.1. If you wish to cancel the Child's place on the Course at any time, including before the Course has started, you may do so by notifying SDE in writing by email to idoughtrey@sde11plus.com. You will not be liable for any direct debit instalments due after the date of notification of withdrawal, however you will not receive a refund of any payments made or due prior to or on the date of withdrawal. Once you have withdrawn your child from the Course, your child is not entitled to attend any further lessons. You are not required to return any homework materials (such as the Prep Bag) supplied to your child prior to the date of withdrawal.
- 6.2. The Client is assured that SDE will use its reasonable endeavours to deliver the course on the date(s) and time(s) set out in the Prospectus. However, there may be exceptional circumstances in which it is necessary for SDE to cancel the course, for example, where a teacher becomes unwell and is unable to deliver the course or a course venue is, for some reason, no longer available. In the extremely unlikely event that a course is cancelled part way through its delivery, SDE will refund a pro rata amount of the course fee to take account of the part of the course which is not delivered and the Client's entitlement to such a pro rata refund will be its sole remedy against SDE in these circumstances.
- 6.3. At any time on or prior to the date on which the first lesson of a course is to be delivered, SDE reserves the right to cancel:
 - 6.3.1. the course; or
 - 6.3.2. the Child's place on the course;
 and, in such circumstances, the Client's only remedy against SDE shall be to a refund of the payment(s) he or she has already made to SDE for such course.
- 6.4. SDE reserves the right to remove a Child from one or more classes (or, where appropriate, the remainder of the course) in the event that the Child's conduct or behaviour is, in the opinion of SDE, such that it:

A technique-focused approach to learning for the 11+.

- 6.4.1. prevents or inhibits (or is likely to prevent or inhibit) SDE from meeting the objectives (stated above these Terms and Conditions) for the benefit of all pupils on the Child's course; or
- 6.4.2. interferes (or is likely to interfere) with the proper management of the class by the teacher having regard, in particular, to the health and safety of all pupils, the teacher and any other persons who are (or may be) present at the course venue.

For the purposes of this clause 6.4, SDE's decision as to what constitutes behaviour or conduct which has the effect(s) (or is likely to have the effect(s)) set out above shall be final and binding on the parties.

- 6.5. In the event that a Child is for any reason unable to attend a class, application may be made in writing to SDE to arrange an alternative date in another class to be provided by SDE (if any). SDE shall make reasonable efforts to accommodate the child but accommodation shall at all times be subject to availability (including, for the avoidance of doubt, sufficient space, in the opinion of SDE, for the Child to attend in addition to the pupils already scheduled to attend such class). In the event that no alternative class is available, or if the Child is unable to attend an alternative class offered to the Client by SDE, SDE shall, on request, indicate the work the Child should complete at home (where possible). For safety and logistical reasons, no Child shall be admitted to an alternative class where prior arrangement has not been made with SDE by following the procedures set out in this clause.

7. Customer satisfaction

- 7.1. In the unlikely event that you are not happy with the services provided by SDE, in the first instance please raise your concerns with the course teacher at the first available opportunity.
- 7.2. In the event that having raised your concerns with the course teacher the matter has not been resolved to your satisfaction, please contact Susan Daughtrey Education's head office by email to the following email address providing as much information as possible about your circumstances jdaughtrey@sde11plus.com.

8. Intellectual Property

- 8.1. It is hereby acknowledged by the Client that SDE has certain valuable intellectual property rights including, without limitation, copyright, trademarks, trade names and trade secrets (e.g. techniques) with respect to the provision of its courses and other services which are provided by SDE (together "Intellectual Property").
- 8.2. All Intellectual Property provided to the Client and/or Child (howsoever supplied, including without limitation, in hard or electronic form):
 - 8.2.1. shall remain the sole and exclusive property of SDE and no right, title or interest in such Intellectual Property shall transfer to the Client and/or Child under these Terms and Conditions (or otherwise) and no right is given to duplicate or transmit (by electronic means or otherwise) such Intellectual Property (in part or in whole) and no right is hereby or shall be given or implied unless and until stated by SDE in writing; and
 - 8.2.2. shall remain the confidential information of SDE and must not be disclosed, transferred or provided to (whether to review, retain or take copies of) any other person without the prior written consent of SDE.
- 8.3. Most of the Intellectual Property has been written by SDE for the Susan Daughtrey course. This involves many thousands of hours of writing, reviewing, typesetting and proof reading work. Whilst considerable effort is made to ensure the Intellectual Property is of the highest standard, due to the considerable volume of work involved in the preparation of the Intellectual Property and the need to regularly update this work to best cater to the requirements of the 11+ tests, we cannot guarantee that the works will be entirely error free. SDE does not accept any liability in respect of any errors in or omissions from the Intellectual Property.

Without prejudice to clause 10.2, SDE's maximum aggregate liability for breach of these Terms and Conditions (including any liability for the acts or omissions of its employees, consultants or agents), whether arising in contract, tort (including negligence), misrepresentation or otherwise, shall in no circumstances exceed the amount of course fees paid by the Client to SDE for the SDE course(s) the Child is registered to attend.

11.2. Nothing in these Terms and Conditions shall in any way limit:

11.2.1. either party's liability for death or personal injury caused by its own negligence; or

11.2.2. any liability which cannot be excluded by law.

11.3. These Terms and Conditions set forth the full extent of SDE's obligations and liabilities in respect of the course and/or other services provided by SDE including as to its quality, the chances of a Child's success in the examinations (which, for the avoidance of doubt, is not guaranteed by SDE). Any other condition, warranty, or other term concerning the course or other services to be provided by SDE which might otherwise be implied in or incorporated within these Terms and Conditions, whether by statute, common law or otherwise, is hereby expressly excluded.

11.4. The performance of any Child in the actual 11+ examination is ultimately the sole responsibility of the Child and SDE shall not be responsible or liable for:

11.4.1. a Child failing the exam(s) or not performing in the exam(s) as expected by the Client and/or Child; or

11.4.2. without prejudice to the generality of the foregoing provisions of this clause 10.4, any indirect or consequential loss or damage (whether relating to the circumstances provided for by clause 10.4.1 or otherwise).
