Full details:

The Susan Daughtrey Education 2023-24 11+ Course takes account of all the known requirements of the SW Herts 11+ tests making the SDE 11+ Course a very thorough and effective preparation of your child. Many hundreds of hours have been spent by Susan (author of the highly successful *Verbal Reasoning Technique and Practice* series of books) writing the Course (including its structure, lesson plans and materials) and now constantly refining it. All of the GL Assessment-style material Susan has written for SDE's 11+ Courses for GL Assessment 11+ candidates is currently unpublished and is therefore only available to the students attending the Course.

Initial Assessments

The Course begins (Week 1) with initial assessments in Maths and Verbal Reasoning, and the results of the assessments will be reported to you in writing.

Prep Bag

At the first session, your child will be given an attractive *Prep Bag* containing homework books, writing materials and class materials. Weekly homework varies depending on the topics taught in class and is supplied to your child in a convenient 'Student Homework Pack' together with a 'Parent Homework Pack' containing all of Susan's worksheets, together with the answers. Additional homework is set over the school holidays to maintain continuity and to revise, test and extend the work already completed in class. Your child will be provided with additional published books as part of the Course, in order to further supplement and practise the significant amount of work that Susan has written.

A Technique-focused Approach to Learning for the 11+

During Weeks 2– 20 of the Course we concentrate on *teaching* every aspect of the verbal reasoning and Maths components which we expect the examiners to test, thus the Susan Daughtrey Education adage "A technique-focused approach to learning for the 11+":

- Your child will be *taught* Susan's *techniques* to help her/him correctly approach GL Assessment-style verbal reasoning questions.
- The numerical component will involve the *teaching of the entire three-year Key Stage 2 Maths syllabus* which begins when the child is in Year 4 at school and concludes at the end of Year 6 as well as the application of Key Stage 2 Maths knowledge to 11+ style problem Maths questions.

Pre-recorded Video Tutorials

Most of the teaching content from the SDE 11+ Course is now available as pre-recorded video tutorials which have been devised and narrated by Susan Daughtrey M.Ed. These are released weekly through the Course and can be accessed via your online SDE Account.

The video tutorials form a record of the SDE lesson content. This allows you to see exactly what was taught in class and the teaching methods used. Any missed lessons that were not attended in person or via the Hybrid Classroom facilities can be caught up using the pre-recorded video tutorials. The video tutorials are also invaluable if your child needs to recap on any of the lesson content and for revision purposes later in the Course.

Progress and Check-up Tests

Throughout the Course, vocabulary exercises will be set for homework and regular progress tests in all subjects will be administered. During Weeks 1 – 20 of the Course a 'Mini Test' which tests your child's vocabulary and maths takes place during the first 10 minutes of the lesson. These tests serve to check that your child is learning the vocabulary set for homework each week and that he/she has properly understood the previous week's Maths topic(s), as well as giving extra vocabulary and Maths practice. There will also be two, formal Progress Tests held at weeks 13 and 18 to test how the children are performing thus far. The results of the Progress Tests will be reported to you in writing.

11+ Practice Tests

During the summer term (Weeks 24 to 32) and in the lead up to the 11+, practice tests will take place in class under examination conditions in order to familiarise the children with the format of the real 11+ papers (as far as possible) and the procedure of the day, and to continue the continuous assessment of the children. Many of the tests used in class have been written by Susan Daughtrey M.Ed and are therefore unique to the Course.

Summer Holiday Homework

The children will then be set summer holiday homework to continue, through the school summer holidays, the practice and familiarisation of all the subjects the child has learned. The final lessons will take place just a few days before the real 11+ tests.

The Role of Parents

The Course is rigorous, demands a lot of work and dedication on the part of your child and requires a very determined and positive attitude. If your child has these attributes, most parents tell us that their children thoroughly enjoy the lessons, improve enormously at school generally, make many new, good friends and develop a very strong sense of how to study and what is required to learn and achieve.

We encourage parents to play a major and active role in their child's study and we see you as an essential contributor to this process. You are an integral and important part of your child's exam preparation and performance on this Course.

Parents are asked to oversee the completion of the homework and to mark it using the answers provided in each weekly 'Parent Homework Pack'. Scores are then recorded by the parent on a Record Table, which is also provided. Scores are then recorded by the parent on a paper Record Table and can also be recorded on the Online Record Table within your SDE Account, providing you with access to comparative data.

Course Objective

The objective of all SDE Courses is quite explicit - to offer a first-class quality Course where every effort is made to address the student's weaknesses, to maximise his/her examination performance and to extend each student to his/her fullest potential so the child has the best possible chance of success in the 11+. Everybody who works at Susan Daughtrey Education is striving for excellence and every possible effort is made to achieve it.

The Course is designed for a child who will benefit from lots of teacher contact, support and reinforcement and who will more ably cope with the subjects when spread over a longer period of time.

OBJECTIVES

"The primary objective of the Course is to offer a first-class quality Course where every effort is made to address the student's weaknesses, to maximise his/her examination performance and to extend each student to his/her fullest potential so the child has the best possible chance of success in the 11+."

In order to create the best learning environment for each pupil, all reasonable efforts will be made to achieve the following objectives:

- That each pupil is able to learn in a safe environment;
- That each pupil's progress or ability to learn and improve his/her performance is enhanced by a focused learning environment, free from distractions and not impeded by the poor conduct or behaviour of other children in the class; and
- That each pupil shows courtesy and respect to the teacher of the class, the other children in the class and any other persons he or she comes into contact with on the course and/or while at the course venue.

TERMS AND CONDITIONS

1. Definitions

In these Terms and Conditions, the following terms have the meanings stated below:

- "Child" means the child who is registered to attend an SDE course and whose name appears on the Registration Form;
- "Client" means the parent or guardian of a Child registered to attend an SDE course whose name appears on the Registration Form; and
- "SDE" means SDE (West Herts) LLP, a limited liability partnership incorporated in England with registration no. OC385079.

2. Parties etc.

- 2.1. This agreement is between the Client and SDE. Neither the Client nor the Child has any direct or indirect contractual or other relationship with any other person or entity other than SDE.
- 2.2. This agreement supersedes and replaces any previous agreement(s) between the Client and SDE.
- 2.3. SDE (West Herts) LLP is an independently owned and operated franchise of Susan Daughtrey Education LLP.

3. Safety

- 3.1. **The Client shall, prior to the commencement of the course and at regular intervals during the continuation of the course, emphasise to the Child the importance of remaining under the supervision of the teacher at all times during class and while at the course venue. The Child should be instructed not to leave the course venue under any circumstances unless accompanied by the Client or the person nominated by the Client to deliver and collect the Child from the course venue.**
- 3.2. **The Client shall ensure that he or she or, where relevant, the person with responsibility to deliver and collect the Child to and from the course venue on the relevant course date personally:**
 - 3.2.1. **delivers the Child to the custody of the teacher in charge of the Child's course; and**

- 3.2.2. **collects the Child from the teacher in charge of the Child's course.**

4. Medical conditions, medication and treatments

- 4.1. **The Client shall notify SDE in writing at registration if the child suffers from any medical injury, condition (including any allergies) or disability that ought properly to be brought to the attention of SDE so that an assessment of the needs of the child can be made.**
- 4.2. **In the event that the child develops a medical condition (including any allergies) while attending an SDE course, the Client shall inform SDE in writing in advance of the lesson so that an assessment of the needs of the Child can be made.**
- 4.3. **The Client shall ensure that any medication or treatment that the Child is receiving (either at the time of registration on the course or during the continuation of the course) is brought to the attention of:**
- 4.3.1. **prior to registration, or at such time during the course as the medication or treatment commences, to SDE by notice in writing;**
- 4.3.2. **at the commencement of each lesson, to the teacher of the class.**
- 4.4. SDE and its teachers are not trained or insured to administer medications and, accordingly, are unable to administer medications to children attending SDE courses. If required, the Client shall administer the medications having first advised SDE of the circumstances.
- 4.5. SDE reserves the right at any time and without further notice to the Client to refuse to administer medication or treatment. Such refusal to administer medication shall extend, without limitation, to a decision, to be made by the teacher or relevant SDE employee, consultant or agent who may need to make such a decision following the development of a medical condition or emergency situation while the Child is in the custody of SDE. In such circumstances the teacher or relevant SDE employee, consultant or agent may contact the emergency services and/or the Client if they consider it appropriate to do so.
- 4.6. In the event that SDE is notified that a pupil in a class has a food allergy (or other similar condition), the teacher will take reasonable precautions to protect that pupil from exposure to the cause of the allergy (or other similar condition) but SDE cannot guarantee non-exposure.

5. Refunds

- 5.1. SDE may in its absolute discretion agree to refund all or part of a Client's course fees in the event that a Child needs to withdraw from his SDE course. Whilst any refund of fees is entirely discretionary, Clients should take note of the following and discuss their Child's circumstances with the teacher prior to withdrawing from a course and requesting a refund of fees:
- 5.1.1. any refund of fees is subject to SDE being able to offer the Child's place on the course to another student and for that "replacement" student not to be disadvantaged in any way;
- 5.1.2. in the event that a Child has attended part of a course, any refund of course fees will be pro-rated to take account of the lessons which the Child has already attended and the cost of any materials supplied to the Child (whether those materials were intended for use in class or at home); and
- 5.1.3. a £50 administration fee will be deducted from the refund amount to cover additional administration costs and management time.

6. Payment

All course fees are to be paid on the date(s) set out in the Registration Form and, in the event that the Client fails to make payment on the due date(s), the Child shall not be entitled to attend the course and SDE reserve the right to cancel the Child's place and to allocate the Child's place to another pupil without further notice. Cancellation in such circumstances is without prejudice to the other remedies SDE may have against the Client in respect of such nonpayment.

7. Cancellation, Curtailment and Non-attendance

7.1. The Client is assured that SDE will use its reasonable endeavours to deliver the course on the date(s) and time(s) set out in the Registration Form. However, there may be exceptional circumstances in which it is necessary for SDE to cancel the course, for example, where a teacher becomes unwell and is unable to deliver the course or a course venue is, for some reason, no longer available. In the extremely unlikely event that a course is cancelled part way through its delivery, SDE will refund a pro rata amount of the course fee to take account of the part of the course which is not delivered and the Client's entitlement to such a pro rata refund will be its sole remedy against SDE in these circumstances.

7.2. Without prejudice to and notwithstanding clause 7.1, at any time on or prior to the date on which the first lesson of a course is to be delivered, SDE reserves the right to cancel:

7.2.1. the course;

7.2.2. the Child's place on the course; or

7.2.3. to elect not to deliver the course (for whatever reason)

and, in such circumstances, the Client's only remedy against SDE shall be to a refund of the payment(s) he or she has already made to SDE for such course.

7.3. SDE reserves the right to remove a Child from one or more classes (or, where appropriate, the remainder of the course) in the event that the Child's conduct or behaviour is, in the opinion of SDE, such that it:

7.3.1. prevents or inhibits (or is likely to prevent or inhibit) SDE from meeting the objectives (stated above these Terms and Conditions) for the benefit of all pupils on the Child's course; or

7.3.2. interferes (or is likely to interfere) with the proper management of the class by the teacher having regard, in particular, to the health and safety of all pupils, the teacher and any other persons who are (or may be) present at the course venue.

For the purposes of this clause 7.3, SDE's decision as to what constitutes behaviour or conduct which has the effect(s) (or is likely to have the effect(s)) set out above shall be final and binding on the parties.

7.4. In the event that a Child is for any reason unable to attend a class, application may be made in writing to SDE to arrange an alternative date in another class to be provided by SDE (if any). SDE shall make reasonable efforts to rearrange a Child's class but accommodation shall at all times be subject to availability (including, for the avoidance of doubt, sufficient space, in the opinion of SDE, for the Child to attend in addition to the pupils already scheduled to attend such class). In the event that no alternative class is available, or if the Child is unable to attend an alternative class offered to the Client by SDE, SDE shall, on request, indicate the work the Child should complete at home (where possible). For safety and logistical reasons, no Child shall be admitted to an alternative class where prior arrangement has not been made with SDE by following the procedures set out in this clause 7.4.

8. Customer satisfaction

8.1. In the unlikely event that you are not happy with the services provided by SDE, in the first instance please raise your concerns with the course teacher at the first available opportunity.

Every effort will be made to ensure that your concerns are properly dealt with.

Without prejudice to clause 11.2, SDE's maximum aggregate liability for breach of these Terms and Conditions (including any liability for the acts or omissions of its employees, consultants or agents), whether arising in contract, tort (including negligence), misrepresentation or otherwise, shall in no circumstances exceed the amount of course fees paid by the Client to SDE for the SDE course(s) the Child is registered to attend.
- 11.2. Nothing in these Terms and Conditions shall in any way limit:
- 11.2.1. either party's liability for death or personal injury caused by its own negligence; or
- 11.2.2. any liability which cannot be excluded by law.

11.3. These Terms and Conditions set forth the full extent of SDE's obligations and liabilities in respect of the course and/or other services provided by SDE including as to its quality, the chances of a Child's success in the examinations (which, for the avoidance of doubt, is not guaranteed by SDE). Any other condition, warranty, or other term concerning the course or other services to be provided by SDE which might otherwise be implied in or incorporated within these Terms and Conditions, whether by statute, common law or otherwise, is hereby expressly excluded.

11.4. The performance of any Child in the actual 11+ examination is ultimately the sole responsibility of the Child and SDE shall not be responsible or liable for:

11.4.1. a Child failing the exam(s) or not performing in the exam(s) as expected by the Client and/or Child; or

11.4.2. without prejudice to the generality of the foregoing provisions of this clause 11.4, any indirect or consequential loss or damage (whether relating to the circumstances provided for by clause 11.4.1 or otherwise).

12. Novation

Client agrees that SDE may transfer the benefit and burden of this contract to another entity trading under the 'SDE' and 'Susan Daughtrey Education' names. If this happens, SDE will write to Client informing Client of the change.
